Independent Auditors' Report

The Board of Directors
SIA Securities Corp.:

We have audited the accompanying statement of financial condition of SIA Securities Corp. as of December 31, 2001. This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of financial condition is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement of financial condition. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the statement of financial condition referred to above presents fairly, in all material respects, the financial position of SIA Securities Corp. as of December 31, 2001, in conformity with accounting principles generally accepted in the United States of America.

Notes to Financial Statement

December 31, 2001

(1) Nature of Business and Significant Accounting Policies

(a) Nature of Business

SIA Securities Corp. (the Company) is a 75%-owned subsidiary of Sit Investment Associates, Inc. (SIA). The Company is a registered broker-dealer in securities whose primary objective is the promotion and marketing of the Sit Mutual Funds (the Mutual Funds), a group of no-load mutual funds for which SIA is the investment adviser. Pursuant to a Management Agreement between the Company and SIA, most of the Company's operating expenses are paid by SIA. The Company's results of operations may not be indicative of the results that might be obtained had it operated independently of SIA.

(b) Cash and Cash Equivalents

For purposes of reporting, the statements of cash flows include as cash and cash equivalents, if any, all cash accounts, money market mutual funds, and short-term investments with maturities of three months or less.

(c) Valuation of Investments

Investments in the Mutual Funds are recorded at market value using public market quotations.

(d) Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of income and expenses during the reporting period. Actual results could differ from those estimates.

(2) Net Capital Requirements

The Company is subject to the Securities and Exchange Commission's Uniform Net Capital Rule (Rule 15c3-1), and is required to maintain minimum net capital, as defined, equal to the greater of 6 2/3% of aggregate indebtedness or \$5,000. At December 31, 2001, the Company had net capital of \$58,531, which was \$53,531 in excess of the minimum required. The Company's net capital ratio (ratio of aggregate indebtedness to net capital) was 0%.

(3) Management Agreement and Related Parties

The Company has a management agreement with SIA whereby SIA pays most of the Company's operating expenses and provides the Company with office facilities to conduct its business activities. In return for these services, the Company pays a quarterly management fee to SIA. Under the management agreement, the Company pays legal and registration costs. However, at their discretion, SIA may voluntarily reimburse the Company for any incurred operating expenses. Additionally, SIA pays an annual distribution and marketing fee to the Company in an amount agreed upon by SIA and the Company.

(4) Income Taxes

The Company has established a valuation allowance for the deferred tax asset associated with the operating loss generated during the current year. This valuation allowance results in a net deferred tax asset of \$0 as of December 31, 2001.

(5) Rule 15c3-3

The Company is exempt from Rule 15c3-3 under subsection (k). Under this exemption, the "Computation for Determination of Reserve Requirements" and "Information Relating to the Possession or Control Requirements" are not required.
